5. Comments and/or special requirements

If there are any comments or special requests regarding invoices issued by EWJI (for instance, to indicate a particular supplier number, or to send it to another company worker), please state them below. Also if there are any special requests regarding communications sent from the association (for instance, to send them to the official delegate and also another person on the organization), please state them below.

6. Membership fee

The membership fee is calculated from the month that the new member joins the association till the end of the year.

New member fee: when a company completes the assessment process to become a member of EWJI, there will be a charge of 300 euros, applied as a new member fee (only once).

All the fees (both membership and new member fee) are to be paid by bank transfer.

7. Membership agreement

All companies that apply to become a member of EWJI will go through an assessment process. By signing this document you agree to become an EWJI member according to the official bylaws of the European Water Jetting Institute and will initiate the assessment process.

Date: ____ / ____ / ____

Signature of the Official delegate: _____
